-side your eyes. How can I be real?

Moderate Reggae

Do you really want to hurt me?

Do you really want to make me cry?

Precious kisses, words that

burn me, lovers never ask you why.
In my heart the fire's burning.
Choose my color, find a star.
Precious people always tell me that's a step a step too far.
Do you really want to hurt me?
Do you really want to make me cry?
I could waste a thousand years,
if it's true you do not know.

Wrapped in sorrow, words are
This boy loves without a token.

Come inside and catch my tears.
I'm prepared to let you go.

If it's love that you want from me, then
Every thing's not away.

If it's love that you want from me, then
Every thing's not away.

If it's love that you want from me, then
Every thing's not away.

If it's love that you want from me, then
Every thing's not away.
