Additional Lyrics

*Rap 1: Damn who knew all the planes we flew  
 Good things we've been through  
 That I'll be standing right here  
 Talking to you about another path I  
 Know we loved to hit the road and laugh  
 But something told me that it wouldn't last  
 Had to switch up look at things different see the bigger picture  
 Those were the days hard work forever pays now I see you in a b  
 How could we not talk about family when family's all that we go  
 Everything I went through you were standing there by my side  
 And now you gonna be with me for the last ride*

*Rap 2: First you both go out your way  
 And the vibe is feeling strong and what's  
 Small turn to a friendship, a friendship  
 Turn into a bond and that bond will never  
 Be broken and the love will never get lost  
 And when brotherhood come first then the line  
 Will never be crossed established it on our own  
 When that line had to be drawn and that line is what  
 We reach so remember me when I'm gone  
 How could we not talk about family when family's all that we go  
 Everything I went through you were standing there by my side  
 And now you gonna be with me for the last ride*
